A Fantastic 4/5 Bedroom Dormer Bungalow With Countryside Views Set In 0.78 Of An Acre

Thorn Lea Horns Cross, Bideford, Devon, EX39 5DJ

Presenting a wonderful opportunity for those seeking a taste of “The Good Life” close to North Devon’s rugged coastline, Thorn Lea is an impressive and highly versatile four-bedroom detached residence, occupying grounds of 0.78 of an acre and enjoying delightful far-reaching views across the rolling countryside towards the village of Parkham.

Originally constructed in the early 1990s and subsequently extended, the property offers substantial and well-presented accommodation arranged over two floors. Thoughtfully designed and offering an exceptional degree of flexibility, Thorn Lea would make a superb family home while also lending itself particularly well to multi-generational living, potential B&B accommodation or those seeking space from which to run a business from home, subject to any necessary consents.

The property is conveniently positioned along the Atlantic Highway and, despite its accessible location, enjoys an attractive countryside outlook with North Devon’s spectacular coastline within easy reach.

On entering the property, an inviting entrance hall provides access to the principal ground-floor rooms, with a staircase rising to the first floor.

A particular highlight is the impressive triple-aspect lounge, a wonderfully light and spacious reception room enjoying beautiful views across the surrounding countryside, with double doors opening directly onto the garden.

The kitchen is positioned to the rear of the property and is well equipped with ample storage and a range of integrated appliances. A second generously proportioned reception room provides excellent flexibility and could comfortably serve as a formal dining room, family room or additional sitting room.

Completing the ground floor is a separate study, a good-sized double bedroom and a stylish family bathroom. The inclusion of a bedroom and bathroom at this level further enhances the versatility of the accommodation and provides scope for predominantly ground-floor living if required.

On the first floor, the landing leads to three generously proportioned double bedrooms. One benefits from fitted wardrobes, while the remaining two each enjoy the convenience of their own en-suite shower room.

Outside -

Thorn Lea occupies a generous plot approaching one acre, offering an excellent balance of manageable gardens, extensive parking and additional land.

Immediately surrounding the home are lawned gardens, complemented by a substantial brick-paved patio to the front, providing an ideal setting for outdoor seating and entertaining while taking in the peaceful surroundings. A useful kennel block is positioned within the immediate rear garden and offers further potential depending on a purchaser's individual requirements.

Beyond the formal gardens, the grounds extend into a gently sloping paddock, enjoying attractive views across the rolling North Devon countryside and providing an appealing addition for those seeking further outdoor space.

The property is approached directly from the Atlantic Highway via a gated driveway, providing ample off-road parking for numerous vehicles and leading to an impressive TRIPLE GARAGE.

Well constructed and particularly generous in size, the garage provides excellent parking, storage and workshop facilities. It also presents exciting potential for adaptation or the creation of additional accommodation within and above, subject to obtaining any necessary planning permissions and consents.

Despite its countryside surroundings, Thorn Lea remains conveniently positioned and easily accessible, with a regular bus service passing the front entrance and the towns, villages and spectacular coastline of North Devon all within easy reach.

In all, Thorn Lea represents an exciting and increasingly rare lifestyle opportunity, combining substantial and adaptable accommodation with grounds approaching one acre, a paddock, extensive parking, excellent garaging and beautiful countryside views.
