The accommodation is entered through a useful porch, which opens into a spacious and welcoming sitting room. A fireplace with inset stove creates an attractive focal point, while a wide opening connects the room with the kitchen/diner to provide a sociable layout well suited to modern family life.

The kitchen is fitted with a comprehensive range of contemporary units and complementary work surfaces, together with integrated cooking appliances and space for further appliances. A generous dining area provides ample room for a family table, while a door opens directly onto the rear garden.

On the first floor, the landing leads to three bedrooms and a modern shower room fitted with a corner shower enclosure, wash basin and WC. An airing cupboard provides additional storage.

Outside, the property benefits from attractive, fully enclosed gardens to both the front and rear. The front garden is principally laid to lawn and complemented by a variety of established shrubs and bushes, with a pathway leading to the entrance and continuing alongside the garden.

To the rear, a patio area adjoining the house provides an ideal setting for outdoor seating and dining. This leads into an attractive garden space mostly laid to lawn and bordered with shrubs. A paved pathway continues to the rear gate.

Immediately beyond the rear gate is a private parking space, with a garage positioned alongside to provide secure parking or additional storage.
