TAPPERS BARN, JOBSONS LANE, LURGASHALL WEST SUSSEX GU28 9HA

## Price Guide £675,000 Freehold

A fascinating unlisted Barn with a gross square footage of around 7,600 sqft situated in gardens and grounds including common land of around three acres including a small waterfall. Consent has been granted for one residential dwelling however, we believe that there is further potential to re-plan this and to create two new-build barns. The consent of the drawings for the residential unit is around 5,500 sqft.

The barn is located in the beautiful Sussex village of Lurgashall which has been featured in many TV shows and adverts. It is a highly sought after area and this development represents a very interesting and unusual opportunity guided at the very sensible price of £1,000,000.

There are some unusual features, not least of which is that the water course does need reinstating - the details can be obtained via Mr Mark Steward, the agent dealing with the project.

- **Attractive and secluded west-facing plot with stream, waterfall and woodland**
- **Sitting on gardens and grounds including common land of around 3 acres**
- **Planning permission approved and consent for residential dwelling**
- **Excellent scope for reconfiguration or multiple unit development**
