East Lodge

LIDDINGTON HALL DRIVE, GUILDFORD, SURREY, GU3 3AD

East Lodge is a characterful two-bedroom bungalow situated on Liddington Hall Drive, once the original driveway to the historic Liddington Hall. As the name suggests, East Lodge was formerly one of the estate's lodges, and today it retains much of its charm and individuality. The property features attractive whitewashed elevations beneath a hipped slate tile roof, with side access and a carport to the front.

Upon entering the home, you are welcomed into a central hallway with warm wooden flooring that continues into the living room. This generously sized, dual-aspect space enjoys views to both the front of the property and the rear garden. A log burner provides a focal point, while French doors open directly onto a large rear patio. Two double bedrooms lead off the living room—one overlooking the front of the property and the other enjoying views of the rear garden. The shower room is fitted with a modern three-piece suite, including a large walk-in shower, WC, and basin.

The kitchen is appointed with cream shaker-style units, black quartz worktops, a Belfast sink, and a Rangemaster oven with cooker hood. Integrated appliances include a fridge and freezer, with space for a freestanding dishwasher. A tiled floor runs through into the dining room, which offers ample space for family meals and gatherings. From here, side access leads to a separate patio area and an outbuilding comprising a storage room and a utility room.

The garden is a highlight of East Lodge. Extending to approximately 80 feet, it is mainly laid to lawn and immaculately maintained, bordered by mature deciduous trees and vibrant, well-established planting. Despite being north facing, the garden benefits from an interrupted east/west aspect, ensuring plenty of sunlight throughout the day.

A substantial pond adds a tranquil focal point, while a large patio wraps around the side of the property, accessible via French doors from the living room. At the far end of the garden, a generous summer house with its own terraced area offers excellent potential as a home office or garden room.

This unique bungalow combines period charm with modern convenience; all set within a peaceful and desirable location in Guildford.
