Hammond Green, as the name suggests, is centred around a well-kept communal green and comprises just 66 properties, offering a peaceful residential setting while enjoying an excellent balance between access to open countryside and convenient road and rail links. This end-of-terrace home is ideally located on the edge of the village, providing both privacy and accessibility.

The accommodation is thoughtfully laid out and begins with a welcoming entrance hall leading to a spacious open-plan kitchen/dining room. This impressive space features doors opening into a conservatory, which enjoys attractive views over the landscaped rear garden, making it an ideal family or entertaining area. The ground floor is further enhanced by a refitted shower room.

To the first floor is a generous L-shaped reception room with a Juliet balcony to the front aspect, creating a bright and airy living space. Also on this level is a well-proportioned double bedroom, again benefitting from a Juliet balcony.

The second floor hosts the principal bedroom, complete with fitted wardrobes and an en-suite shower room, along with two additional bedrooms and a family bathroom fitted with a white suite. Externally, the property features a low-maintenance rear garden and a private driveway to the front.

Overall, this attractive and well-maintained townhouse offers generous and versatile accommodation arranged over three floors, making it ideal for modern family living. With its pleasant cul-de-sac position, landscaped garden and convenient access to village amenities, open countryside and transport links, the property represents an excellent opportunity in this highly regarded Wellesbourne location.
